Bring your EMPTIES to CONCLAVE

Georgia DeMolay State Parents Club FUNDRAISER

Empties-4-Cash

RECYCLE INKJET • REDUCE POLLUTION • RAISE FUNDS

What to do:

Next time you have an empty INKJET cartridge, don't throw it away.

You can also get empties from friends and neighbors.

Just put it in a Ziploc bag and bring it to a special recycle box located at the Trunk Store.

Which cartridges:

Cartridges with a printhead are qualified for payment. That includes most of Hewlett Packard, Lexmark, Compaq, Canon and Apple.

If you cannot tell the difference, bring it in anyways. It doesn't hurt to recycle.
